

**University of Nottingham Skydiving
Committee Minutes 09/06/14**

Attendance

All

Minutes

Trent University inclusion - All voted yes - Same membership price as UoN, SU membership £5

Projections - Same prices as last year, £25 membership /£16 Experienced tickets

Budget - Keep the Wings 210 parachute rig - Possibly sell 170 containers - look out for containers online

Rig Rental to other skydivers - Yes, £20/day for a quiet time for uni, (£280 for 2 weeks). All 4 for £1,000. Agreed that this was a fair price for the club while encouraging others to pursue skydiving/ promote the club. Kit hire can be reimbursed if UoN members happen to be without a rig to jump (ensure this is unlikely).

Freshers Raffle - Membership sign ups, in 3 days, get entered into draw to win a free RAPS course

BCPA tickets - Free ticket if you get 1st place in any competitions. £2 ticket subsidy to encourage attendance at other BCPA events.

Transport - Sort out cost for all DZs, 25p/mile then round down. This is fairest on both drivers and passengers.

Sorted out jobs for summer for all committee members, as seen in 'To-do list' document.
